

# MAX DUTY

## PREMIUM SEVERE DUTY BRAKE PADS

AmeriPLATINUM Plus Max Duty brake pads are the most complete pads offered by AmeriBRAKES providing three levels of protection for fleet, emergency service, and other severe duty requirements.

### 1. Friction Material:

100% copper free materials engineered, tested, and road proven to deliver best in class braking

### 2. A.R.M. R.A.C. Technology:

Advanced Retention Technology is the most secure, strong, and safe manufacturing process, especially designed for severe fleet use  
Rust Abatement Coating (Zn) to prevent possible pad delamination and increased wear

### 3. Noise Abatement Insulators:

The most advanced materials to mitigate noise and vibration which can occur during brake system movements
